APPLICATION # _____

Application for SWIMMING POOL PERMIT

10-13-2: PERMITS: All swimming pools, above or below ground, will require a building permit prior to construction or installation. The fee for such permit will be Twenty-Five Dollars (\$25.00). (Ordinance 2010-04, 2/15/2010).

INSTRUCTIONS TO APPLICANTS

As per City Code the following definition shall apply:

10-13-1: DEFINITION: A swimming pool is any structure, container or excavation intended for or used swimming or wading, located either above or below ground level and designed to hold water of a depth greater than twenty inches (20").

As per City Code the following regulations apply to all Swimming Pools:

10-13-3: REQUIREMENTS: All swimming pools shall comply with the following:

(A) The minimum rear yard and front yard set back requirements as found in the Zoning Code shall be met for the district wherein the pool is located.

(B) The swimming pool shall comply with the side yard set back requirements found in the Zoning Code for the district wherein the pool is located; however, if there is a building on neighboring property located near the line, the pool shall be a minimum of ten feet (10') from said building.

(C) A fence of privacy or security material shall be erected of a height of not less than six feet (6') as measured from the ground level to the top of the fence. Said fences shall have a lockable entry.

(D) Drainage and overflow to be controlled by pool owner so as not to be harmful or damaging to adjacent property owners. (Ord. 83-2, 7-5-83)
